OLUWOLE OLOWOLAFE

Data Analyst

EDUCATION

Idris Premier College, Akure, Ondo State, Nigeria
Sep 2003 - Jul 2009

University of Ilorin, Ilorin, Kwara State, Nigeria
Bachelor of Science in Mathematics
Sept 2013 – Sept 2017

During study, I learnt some basics knowledge on how to use MATLAB and for my final thesis I did "On some convergence properties of certain infinite product of real and complex number"

Coursera (Online)

Aug 2021 – Sept 2021

Learnt how to have a data integrity, clean data using Excel, SQL and R Studio. Using Power Bi, R Studio and Excel to visualize and write reports.

Julius-Maximilians-Universität Würzburg
Master's in mathematics International

May 2019 – Mar 2022

I have improved my MATLAB skill and the ability to stand in front of my colleagues to present. I learnt how to use SQL, python and R-Studio.

WORK EXPERIENCE

Privately for students and professionals

Title: Technical engineer

Jun 2011 – present

Assisted in troubleshooting windows products, installations of hardware and software, resolving network issues and instruction in the use of LaTeX and MATLAB.

RStudio

Data analysis

Visualization

Excel

Communication

Fast-Learner

Decision making

Creativity

LANGUAGES

English – Native speaker

German – Basic knowledge

Iro-Titun Nursery and Primary School, Akure, Nigeria

Title: Teacher/Volunteer

Aug 2013–Mar 2017

Measured scholastic achievement through giving marks and cataloguing performance of students in spreadsheets. Aided in creating interactive learning elements for over 60 students in grade 6. Provided solutions for streamlining school functions.

The Church of Jesus Christ of Latter-Day Saints, Nigeria

Title: Teacher/Volunteer

May 2015–Apr 2019

Prepared and delivered thought-provoking seminars on a weekly basis for adults. Coordinated teaching efforts with other instructors.

Salvation Army High School, Osogbo, Nigeria

Title: Faculty member for Mathematics department

Dec 2017–Apr 2019

Prepared daily lessons for upwards of 150 students, including curriculum for the 8th, 9th and 10th grade. This entailed setting exams, grading assignments and recording results on spreadsheets. To better engage my students, I alternated between lectures and interactive elements.
